MAY 2014

We are going PAPERLESS...

Change is inevitable...and here in the Rosslyn Community we are embracing change and technology!! After June 2014, we will no longer be printing and delivering the newsletter to your home...instead we would love to deliver it straight to your email 'mailbox'! There are LOTS of advantages to having the newsletter come electronically...but we NEED your help with this! It is important to us as a community that we can continue to inform you of what is going on and stay connected! Please forward your email to:

info@rosslyncommunity.org

or

ghilker@paragon.ca

We will still be printing, and dropping off a few copies of the newsletters at Grand Trunk Center, as well as Kensington Library and Scott Robertson School. For those of you who would like a copy, they can be picked up at those locations.

MESSAGE FROM THE PRESIDENT

Hello to all our Community Families,

Hopefully by the time you receive this Newsletter the weather has smartened up, so we can get outside to do our ritual spring cleanups. You'll see, further in this edition, Rosslyn will be holding another Spring Big Bin Event along with a Pancake Breakfast Saturday, June 21.

At our April Annual General Meeting, it was great to see some Community Members attend and take part in discussion about Community issues.

At this time would like to extend a huge thank you to Cheryl Sydor for the outstanding Volunteer work she has done and her commitment to our Community over the years. Unfortunately for us, she has had to step back from the positions she held, Secretary, Membership Director & Social. We wish you & your family well Cheryl, thanks again!!

At this meeting, we had two people put their name forward to join our Executive and would like to thank Lorelle Gilbert who is now our new Secretary and her husband David Gilbert who has volunteered to help Lisa with the Treasurers position in sharing some of those duties. Thanks so much for volunteering Lorelle & David!!

As you'll see in the Newsletter on our Executive list, we still have some vacant spots to fill and hope someone could step up and join our group. **Memberships, Program Director, Social Director, Sports Director.**

If anyone is interested in these positions or would like some information on what is required, or has any other ideas, please forward to myself at ghilker@paragon.ca or call my cell 780 297-0074.

On behalf of your Executive
Greg Hilker
President, Rosslyn Community League

Emergency Medical Services

Window & Balcony Safety

With the return of warmer weather, Alberta Health Services EMS would like to remind parents of an often overlooked hazard in the home – open windows. Every year, paramedics respond to emergencies where a child has fallen from an open window in their house– often from the second floor. Falls such as these are preventable by taking time to assess your home and ensuring windows are safe.

Windows and screens

- Move furniture such as cribs, beds, stools, and change tables away from windows to prevent access to them.
- Keep drapery cords out of childrens' reach. Wrap excess cord around cleats or tie-downs to avoid a choking hazard.
- Remember: screens are designed to keep bugs out, NOT to keep children in!

Balconies

- Do not underestimate a child's ability to climb. Furniture and other items stored on balconies and decks can be used to climb resulting in falls over the railing.
- Consider installing a balcony guard to eliminate access between the vertical bars of a balcony or deck.

Further prevention tips

- Children aged one to four are at highest risk of falling from a window or balcony.
- Direct supervision of children is the single most effective way to prevent falls from windows and balconies.
- Consider installing safety devices which limit windows opening to a maximum of 4 inches or 10 centimeters.
- Ensure the safety device can be released quickly so the window can be used for escape in case of fire or other emergency.

AHS EMS is proud to be a member of the **Partners Promoting Window and Balcony Safety**. Take time to assess your home for window and balcony hazards and eliminate the risks before a preventable fall occurs.

An Invitation to Participate

We are looking to speak with **people providing care** to older adults. Will you help us?

Why? So we can better understand the experiences of people caring for older adults. This will help us find the best way to assist caregivers like you.

Who can participate? People providing care to a friend or family member 65 years or older with 2 or more chronic conditions that have lasted 6 months or longer.

What's involved? There will be up to three 1-hour sessions either in person, by phone or by Skype on your caregiving experience.

For more details, please call:

Dr. Heather Moquin
Phone: 780-492-8167 or
1-877-692-5909 (toll free)
E-mail: heather.moquin@ualberta.ca
